

S t a n d o u t f r o m

in a Holdsworth coachbuilt.

The Fantasia range on the Peugeot Boxer, the Valentine collection on Volkswagen. Clever coachbuilts – more than a little different.

We never forget you want choice. There's the Fantasia, now available in two versions – the Fantasia S, or the top specification GL. Or the Valentines. Valentine Special or the '95 Valentine – which has a new look inside and out for this popular compact coachbuilt. And you can choose from completely different interiors. There are two very distinctive finishes to consider; light ash with burgundy trim co-ordinated inside and out or continental rich beech with a green trim.

And in Fantasia, of course, there's either an L-shaped dinette or the conventional U-shape if you prefer.

And because we never forget you have a price, there's a Holdsworth coachbuilt to suit your budget. Whatever you decide there's an awful lot of motorcaravan for your money.

But when it comes to Holdsworth innovative practicality – there's no choice. They all have kitchen designs which win awards – ergonomic, well-equipped and with 'hungry' storage which makes sure you don't go hungry. Like the lounge\dinette – luxury living by day and spacious comfort by night, with beds made in a moment in a smooth single action. Or the shower room – big enough for comfort without eating away at your living space. All backed with the Holdsworth standards of quality and safety.

Be a little different – take a look at Fantasia or Valentine – 'outstanding' coachbuilts.
